HaloSpin

ODY-7700 | 850040302530

The HALOSPIN is a revolutionary drone. The disc that surrounds the drone has the ability to spin rapidly while flying in mid-air. This creates a stellar light show that will dazzle the sky. You can even rotate the disc to remain in the horizontal position or vertical position. Is this a FLYING SAUCER?

Features:

- Auto Hover
- Rapid Spin Mode
- Stationary Light Disc Mode
